

## Cherry Valley School requires funding to proceed.

The Mary Collins Education Foundation (MCEF) relies on tax-deductible donations from you and others from our community to fund programs in their entirety. MCEF pays the salaries for teachers of Spanish, Environmental Education and Music that our child enjoys at Cherry Valley. MCEF also funds teacher training, provides technology for students (Chrome books, keyboards for iPads, DreamBox) and supplemental reading books requested by our reading Specialist.

Our community of parents, retired teachers, and grandparents, make up the majority of our donors. We also actively seek grants that support our school's vision. This year we are asking everyone to find out if their employer has an employee match donation program. Three of our parents donate over \$1,000 each from their employer. Perhaps you can begin to leverage your employment, too.

Please do what you can to help us reach our goal of at least 55% of parents donating \$250 per child per year - or about \$20 per month. Any amount is helpful, so if \$20 per month is too much, please consider \$10 or \$5 per month.

MCEF meetings are open to our parent community. Drop in and see how you can be a part of its success. Visit [mccv.mccvedfoundation.org](http://mccv.mccvedfoundation.org) for more info.
