We acknowledge, with thanks, your donation to the Mary Collins Education Foundation.

Donor name: _____

Amount donated in 2016/17: \$ _____

No gifts were exchanged as part of this donation.

The Mary Collins Education Foundation is a non-profit volunteer organization comprised of parents, faculty, faculty alumni and community members who are dedicated to supporting a vibrant educational experience for our students.

Through the generous contributions of our school community, we have been able to underwrite the costs associated with our art and music programs, algebra-readiness, professional development and environmental education programs. These contributions are tax-deductible because Cherry Valley is a non-profit, tax-exempt public charter school.
